1. Project Description Update

Please tell us about the activities implemented by the project to date and how they are addressing the community need outlined in your proposal.

Please share some examples of changes or impacts you've seen in the community as a result of your project.

2. Community Consultation/Collaboration

How do/did you engage community members in implementing this project?

How does/did this project complement other activities going on in your community?

3. Project Participants

How many people in your community participated in the project to date? Please provide some description/information about the project participants (ages, gender, students? Urban, rural?)

Please send any pictures of the project that you would like to share separately to jcudmore@alongsidehope.org.
