

Environment Policy

PURPOSE:

In all of its practices, Alongside Hope will strive to safeguard the integrity of God's creation, and respect, sustain, and renew the life of the Earth.

APPLICATION:

This policy applies to all directors, members, employees, and agents of Alongside Hope.

POLICY:

Alongside Hope will

- provide training to support awareness of current environmental and climate change issues affecting the work of Alongside Hope
- include environmental considerations where appropriate to all publicly available educational resources developed by Alongside Hope
- use material resources which are environmentally friendly when possible
- encourage the sourcing of materials which are environmentally friendly
- reduce our carbon footprint, wherever possible
- practice environmental responsibility within the office and at meetings
- incorporate environmental considerations into relevant aspects of all Alongside Hope programmes and projects
- encourage exchange of environmentally sustainable ideas and practices between partners
