

Coming Alongside Hope With Light

You Can Provide Light to Rural Health Clinics in Mozambique and Madagascar!

Light That Saves Lives

Let's raise \$170,000 to deliver 49 solar suitcases to off-grid health clinics, where babies are often delivered at night, in the dark. These units bring life-saving light and medical equipment to mothers, babies and health care workers. Donate today and bring light to women and babies.

Every Dollar You Give Will Be Doubled – up to \$150,000 – thanks to a generous matching gift.

Solar Suitcases Work. Since 2016, they've helped safely deliver over 80,000 babies in clinics without electricity.

-  Light means safer births.
-  Light means stronger care.
-  Light means hope.

Be the spark. Give today.
